Audition Requirements:

- Auditions are open to students in grades three through twelve.
- All actors should prepare a one-minute monologue. Memorization is preferred so that you can concentrate on your character presentation rather than reading the words. Prepare a piece from a play, a musical, or a collection of monologues.
- Prepare to sing a one-minute song cut from a Broadway show. Please bring sheet music that includes the full piano parts (treble and bass lines), not just the vocal line. You can obtain cuts from standards book such as "The Teen's Musical Theatre Collection" (Young Women's/Men's Edition) Hal Leonard Publishing. The song should be a standard musical theatre song, no more than one minute (32 bars/measures) in the style of classic Broadway (Rodgers & Hammerstein era) or a Disney selection. No contemporary musicals in the pop/rock/jazz genre are needed for this show; please do not bring songs from shows such as Rent, Spelling Bee, Next to Normal, Spring Awakening, Legally Blonde, Wicked, Into the Heights, and so forth...they're great shows, but not right for this audition.
- Please dress in clothing and footwear that show you at your best and are easy to move in. Please no flip-flops, Uggs, etc. - wear closed shoes that allow movement. We encourage proper "audition etiquette," so dress comfortably, but appropriately.
